Office365 認證介面

The image shows the Microsoft Office 365 login interface. At the top left is the Microsoft logo. Below it, the word "登入" (Login) is displayed. To the right of "登入", the text "OpenID帳號 @o365.kh.edu.tw" is entered into a text field and is enclosed in a red rectangular box. Below the text field, the label "電子郵件或電話" (Email or phone number) is visible, with a red arrow pointing from the text field to this label. Underneath the text field is a blue link that says "無法存取您的帳戶嗎?" (Can't access your account?). To the right of the text field is a blue button with the text "下一步" (Next), which is also enclosed in a red rectangular box. At the bottom left of the page, there is a key icon followed by the text "登入選項" (Login options).

4.輸入密碼、驗證碼，按『登入』

Three red arrows originate from a single point on the right and point to the "密碼" field, the "驗證碼" field, and the "登入" button.

5.完成認證，成功進入 Loilo 教學平台系統

A screenshot of the Loilo teaching platform interface. The left sidebar contains navigation options: "精粹區 授中國小 編輯", "還沒有你負責的課程 無課程 請「新增課程」 新增課程", "其他老師之課程 >", "已結束之課程 >", "自主學習 >", "教案", and "來自LoiLo的通知". The main content area is dark blue and mostly empty. A small white pop-up window in the bottom right corner contains the text "1. 跟著影片一起學", "點擊影片下方 探索如何使用LoiLo!", and a red button labeled "學會了".
